

# "Water is life. Drink it pure."

## CLASSIC™

Filtered water enhances the way you live. You can taste its clean, crisp flavor. Today, filtered water is a terrific value for the price. In fact, when you think about it, you can't beat filtered water for the:

- refreshing, clean taste
- clarity and purity
- convenience.

The Classic™ cooler offers you high style at a very attractive price. Resembling a fluted roman column, the contoured, one-piece plastic cabinet resists cracks, fading and yellowing. Maintenance is kept simple, with easy to clean, stainless steel reservoir and removable drip tray. To keep your cooler shiny and new, simply clean with soap and water or any typical household cleaner.

The Classic™ is available in either cook & cold or hot & cold temperature models.

Make cool, clean, refreshing water available in your home or office today with the Classic™ water cooler.

### CLASSIC POINT-OF-USE-COOLER

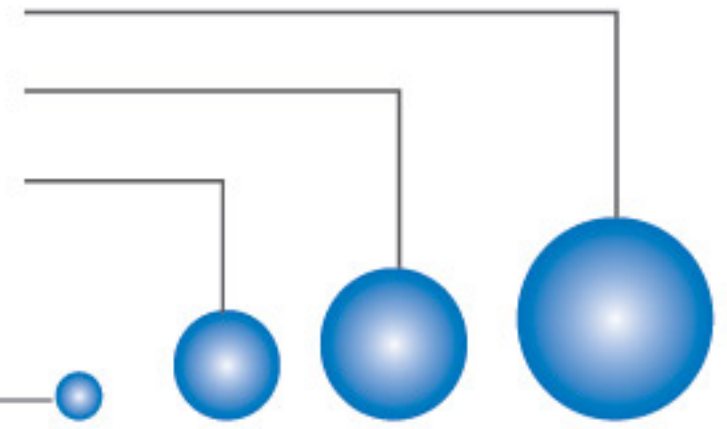

## Reverse Osmosis

## The comparison of Chemical process

$$\left( 1 \text{ Micron} = \frac{1}{100} \text{ IN} \right)^3$$

Bacteria 0.4-1.0 Micron  
Virus 0.02-0.04 Micron  
Heavy Metal 0.001 Micron

Purissima TFC  
Membrane 0.0001 Micron

# Deluxe 3- Stage Reverse Osmosis

## SPECIFICATION

- : Sediment 5 Micron 2"x10"
- : Precarbon 2"x10"
- : T.F.C. R.O. Membrane 50GPD
- : Storage Tank Hot water 2 Liter & Cold water 15Litter
- : John Guest Fitting
- : Dimension 340(W)x320(D)x1180(H)
